Hamilton County Mental Health and Recovery Services Board

Agency Profile

Talbert House

2600 Victory Parkway · Cincinnati, OH 45206
751-7747 · (FAX) 751-8107 · www.talberthouse.org

President: Neil Tilow

Brief Agency History: Talbert House was founded March 1965 as an experiment in bringing ex-offenders back into the community. As years passed, it became evident that clients had multiple needs ranging from mental health, substance abuse and community corrections. Talbert House has since evolved into an agency providing various out patient and residential programs to meet the needs of the mentally ill and alcohol, drug addiction adult and child populations throughout Hamilton and surrounding counties. Talbert House affiliated with Core Behavioral Health Centers (CORE) in 1998, the Center for Children and Families (CCF) in 1999 and NORCEN Behavioral Health Systems (Norcen) in 2005. Due to cost-containment demands of funders, in 2008, CORE, CCF and Norcen formed Centerpoint Health as one of the largest comprehensive behavioral health care providers in Hamilton County. The consolidation of the three agencies strengthened clinical care for clients, improved client access to care and reduced administrative costs. Talbert House continues to have an affiliation with Centerpoint Health providing services to clients in neighborhood based settings throughout Cincinnati.
